Polystone® Play-Tec

innovative design

innovative solutions

Musical

Play the notes enjoy the sound.

800mm x 600mm (crocodile)

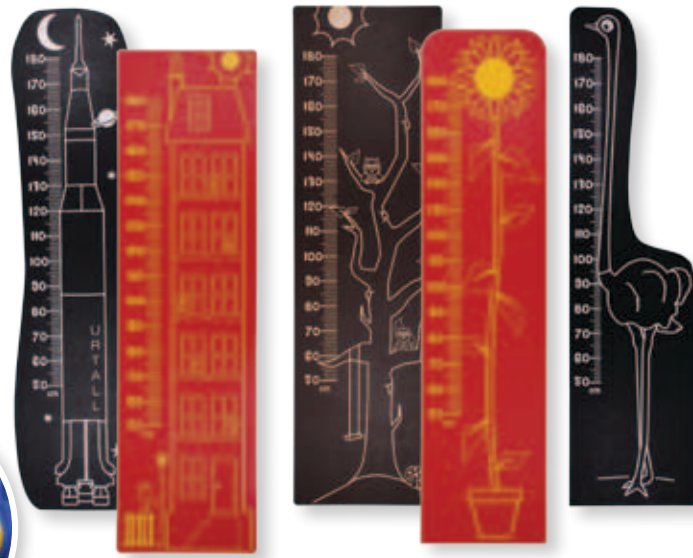

794mm x 425mm (armadillo)

Polystone-Play-Tec has been specifically developed for use within the play equipment industry and educational establishments. With Polystone-Play-Tec you have the flexibility for both internal and external applications. Polystone-Play-Tec also offers resistance to scratches and vandalism.

- Good mechanical strengths
- Weather resistant
- Fade resistant and UV stabilised
- No moisture absorption, no swelling or delaminating
- No development of mould or fungus
- Resistant to chemicals
- Durable and hard wearing
- Easy to clean and handle
- Recyclable

Polystone Play-Tec is intended to increase learning for children, a combination of adventure and education in a range of exciting products. Giving children a wider knowledge, larger vocabularies and awaking their creative sides at the same time.

Height panels
Colourful way to learn about measuring.
2000mm x 550mm

Learning boards
Who can read the first word?
800mm x 600mm

Colours

2440 x 1220mm sheets are available in multiple colour variations and in 3 thicknesses - 12, 15 and 19mm. All colour combinations available. Embossed on both sides and provided with clear PE protective film. Completely machined parts. Custom sizes and other formats available upon request.

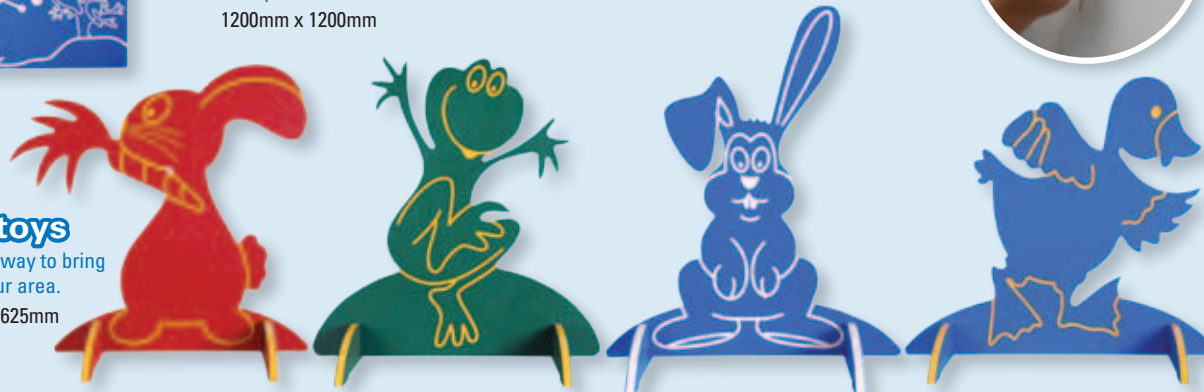

Adventure Series

Measuring a huge 2.5m wide, this is a great way to touch, feel and recognise detachable letters, and shapes and start to recognise words.
2440mm x 600mm

Fun toys

The best way to bring life to your area.
